

Raintree Quilters Guild 2022-2023 Challenge – Chickens Having Fun!!!

The 2022-23 Challenge is being introduced in October 2022. You will have 11 months to develop, create and complete your challenge pieces.

Rules:

1. You must be an active Raintree Guild member to participate.
2. Your center block containing your chicken must be 12” finished, but you can add borders if you wish to make it larger.
3. You may use your own original design, or use any pattern you wish, as long as the chicken figure is prominent. (Suggestions attached)
4. Your piece should finish between 12 x 12 and 20 x 20 inches. It need not be square.
5. Since this challenge will not be going to Grand Rapids, we encourage you to make something you would like to keep or give as a gift.
6. This piece must be three layers, quilted, bound, and have a hanging sleeve on the back, if you wish it to be a wall hanging.
7. This challenge is to be completed for judging during our Show Judging the end of August or early September – no reveal before will occur.
